PLAYER INFORMATION

All players must bring their own controllers and cords for games. We will not have any available on the tournament date to lend out.

There will be a sausage sizzle available at lunch so bring a gold coin along to help us fundraise for more E-sports events in the future.

Students need to wear school uniform during the event.

We will be signing into our Rotorua Primary accounts for Rocket League to save time with everyone signing in and out. If you have specific settings, you need to make sure you write down what they are and change them in the warm-up before your game. We will set the account back to default settings at the start of each game.
