Reports

Your taonga's report has now been completed. Your teacher will be in contact this week to arrange a meeting to discuss, plan and implement the next learning steps for your taonga. This is also an opportunity for you to raise any questions too.

Attendance

Getting back to a normal routine is important for the health and wellbeing of your children, and being around their peers and teachers will help them feel in control and reassured. We are looking forward to welcoming back all of our student's to school and making it a positive experience for them and for you.

Regularly attending school really matters when it comes to your child's learning and their future. We are here to help and will be happy to talk about any challenges you have in ensuring your taonga are back at school.
